

Our History

In 2009, The Community Action Organization of Erie County Inc. joined other Community Action Agencies across New York State to bring the Community Action Angels Program to Erie County.

Community Action Angels is dedicated to assisting CAO of Erie County in their efforts to meet the needs of the disadvantaged population by providing volunteers that will bring resources from the community to meet those needs. These volunteers are committed to assisting and bringing hope to all people experiencing unfortunate circumstances.

How Are We Managed?

This program is under The CAO of Erie County, Inc. and is managed by a Coordinator and a Regional Advisory Board; which includes members representing Southern and Northern Erie County and the City of Buffalo

Our Philosophy

Everyone who truly needs our help will be helped to the best of **our** ability.

Everyone who receives our help will be given the opportunity to help others to the best of **their** ability

How Can You Make A Difference?

Community Action Angels is funded by donations from the community. There are many ways in which you can make a difference and help support families in need.

Community Action Angels Program is always in need of clothing, personal care items, baby care items and household items to help families in crisis.

If you have used furniture, stoves, refrigerators, dishes, TVs, or baby items such as changing tables, strollers, or play pens, we can find a second home for them.

To donate items, please contact Keri Socker at (716) 881-5150 or email at ksocket@caoec.org
